

The 32nd Korean-Japanese Combined Orthopedic Symposium

June 22 (Sat), 2024

Swiss Grand Hotel, Seoul, Korea

Welcome Message

Dear Korean and Japanese colleagues,

It is my distinct pleasure to extend a heartfelt invitation to you and your esteemed colleagues to join us for the long-awaited resumption of the offline Korean-Japanese Combined Orthopedic Symposium.

As we all know, the global pandemic has posed unprecedented challenges to our professional and personal lives. However, with cautious optimism and strict adherence to safety protocols, we are pleased to announce that the Korean-Japanese Combined Orthopedic Symposium is set to return.

The meeting will provide a platform for orthopedic surgeons from both our nations to reconnect, discuss the latest advancements in the field, share insights from their research and clinical experiences, and foster stronger bonds between our medical communities.

We are eagerly looking forward to your presence at the 32nd Korean-Japanese Combined Orthopedic Symposium 2024, where we can once again gather.

Thank you for your continued support, and we anticipate an enriching and successful event.

Sincerely,
