# Sports Medicine Summit Congress

*at the occasion of Olympic Winter Games PyeongChang 2018*

**DATE | February, 10 (Sat) 2018**

**VENUE | Grand Ballrom Hanra(3F),  
Seoul Dragon City, Seoul, South Korea**

Hosted by  The Korean Society of Sports Medicine

Supported by   GOTS  JSCSM

As the time of Olympic Winter Games PyeongChang 2018 is approaching, it is my great pleasure to invite you to the “Sports Medicine Summit Congress at the occasion of Olympic Winter Games PyeongChang 2018”, which will be held in Seoul, Korea, on 10 Feb. 2018.

Since the establishment of the Korean Society of Sports Medicine in 1982, we devoted ourselves to the development of sports medicine, through various activities in this field. This time, we prepared the “Sports Medicine Summit Congress” to commemorate the Olympic Winter Games PyeongChang 2018. I believe this congress will be a valuable experience for all of the attendants. This congress will provide you with an opportunity to meet distinguished experts in the field of sports medicine, while covering diverse aspects of sports medicine: Dealing with athletes & Olympic games, Clinical sports medicine, Joint preservation esp. meniscus & cartilage, Athletes in specific conditions, and Winter sports injuries.

We hope that you have enlightening experiences in this congress to share and discuss the latest updates in the field of sports medicine.

We will be grateful for your warm supports upon our congress.

Sincerely,

**Kyung Tai Lee, M.D.**
